False Flag Passover Peril, April 19 – 22, 2011

By Captain Eric H. May, GT CO

HOUSTON, 4/19/11 – A cascade of indicators argue that a false flag terror attack, probably nuclear, is impending, perhaps imminent, during the Jewish Passover, which begins today:

1. Two weeks ago, New York City conducted a huge dirty bomb drill – <http://www.veteranstoday.com/2011/04/06/nyc-dirty-bomb-drill-largest-in-national-history-is-it-a-drill/>
2. On Saturday, two Virginia nuclear reactors went off-line during a freak tornado storm, in an eerie echo of Fukushima <http://www.guardian.co.uk/world/2011/apr/18/us-tornadoes-shutdown-nuclear-reactors> .
3. U.S. top law enforcement just returned from a week-long homeland security trip to Israel, and *The Chicago Tribune*, which reported it, has sabotaged the story link <http://www.examiner.com/airlines-airport-in-milwaukee/milw-co-sheriff-goes-to-israel-to-study-homeland-security> .
4. The U.S. credit rating was put in jeopardy yesterday, in what may be a globalist move to force a false flag <http://www.indiaonline.com/Markets/News/US-stocks-plunge-as-US-debt-rating-gets-cut/3651659242>
5. The European Parliament is demanding answers about reports that the U.S. is using its ultra-secret HAARP weather weapon to affect global climate, and perhaps induce earthquakes <http://letsrollforums.com/europeanparliamentissueswarningst24872.html?s=67c164314e934a0be4b583c7e74ef1ee&> .
6. Barack Obama's approval rating is down to 41%, and his U.S. citizenship is being called into question http://www.veteranstoday.com/wp-admin/post-new.php?post_type=post .

If the country makes it to Easter, I'll write about the cryptanalysis that has led me to publish such a dire warning. For the present I re-issue my much-discussed 2009 letter to my curious Ambassador Chase Untermeyer, in which I introduced the elements of Ghost Troop's false flag cryptanalysis and prediction.

Two weeks after it's publication, it's fears were very nearly actualized in the Houston area, when 70, 000 people were evacuated from the Bush stronghold of Bryan, Texas

<http://www.aljazeera.com/Opinion%20Editorials/2010/July/20%20o/Texas%20City%20Exposes%20B20Explosions%20By%20Captain%20Eric%20H.htm> .

The three top targets I identified then seem equally valid now, so I'll play the same cards, hoping that they will again amount to a winning hand.

CHICAGO, NEW YORK, HOUSTON

2009 Top 9/11-2B Targets

By Captain Eric H. May

Publisher's Prologue

Ambassador Chase Untermeyer, the former chaplain of Ghost Troop, receives a long awaited reply from the cyber-intelligence unit's commander, former Army officer Captain Eric H. May. It is full of the geostrategic insight and political unorthodoxy that the two friends, from opposite ends of the political spectrum, have exchanged since the beginning of the Iraq War. Their correspondence is an underground classic, a frank and sometimes fierce history of the new millennium.

Chaplain Chase

Dear Chase: I'm always heartened by your e-mail and letters. Please indulge me as I mix the pleasure of responding to you with the duty of updating CNN and the FBI on Ghost Troop's latest 9/11-2B research, which confirms Chicago, New York City and Houston as the top three U.S. terror targets for the remainder of 2009:

On Tue, 4/14/09, Chase Untermeyer wrote:

Dear Eric:

I think about you and wonder how you are doing. I'm sorry I haven't been in touch more frequently. Please let me know when might be a good time to speak on the phone or come see you.

Diana and I will return to Qatar next week for the wedding of a young sheik friend of ours. Then in early May I'll make a trip to Israel with some retired general officers. (They're letting ex-Lt Untermeyer tag along.) We ought to see the top political and military leaders. The only problem is there's a fellow from Rome who'll be visiting at the same time, name of Benedict. My military education this spring will be completed by a week-long national security seminar at the Army War College in Carlisle Barracks, Pa. I'll give you a complete report on all the above.

All the best to the lovely Gretchen and of course to you from Diana, Elly, and CHASE.

There, now that you have introduced yourself as my friend, I will introduce you further with some highlights from your curious *cursum vitae*:

- You were Ronald Reagan's Assistant Secretary of the Navy.
- You were GHWB's transition team leader when he replaced Reagan.
- You were GWB's Texas Board of Education Chairman
- You were my intro to NBC (which hired me) and Team Bush (which didn't).
- You were the best man at my wedding in 2002.
- You were a volunteer Ghost Troop officer from 2003 to 2006.
- You were US Ambassador to Qatar from 2004 to 2007

Censored CNN

This is redundant to you and me. To the CNN/FBI crowd, though, it should all be highly interesting. CNN ran a story by Mike Ahlers on Ghost Troop last month, due to my familiarity with James von Brunn, now notorious as the alleged shooter in the Washington, D.C. Holocaust Museum case. During our interview, Ahlers asked whether I would be willing to answer FBI questions about JvB. I told him I would happily cooperate with the FBI, and noted that I've corresponded with Mr. von Brunn nearly as much as I've corresponded with you! Candidly, I think Ahlers was surprised that the FBI hadn't yet contacted me.

They still haven't, for that matter, although I'm hoping that this e-mail to you will change that.

The story Ahlers wrote, alas, showed the low state of mainstream media "journalism," in which the "reporter" is nothing more or less than a half-deaf stenographer. He dutifully hears, then dully writes, establishment drivel, while "misunderstanding" anyone saying anything that contradicts the establishment line. The awful Ahlers dissed my executive officer, Major William Fox, by failing to identify him as a former Marine Corps officer and, like you, a Harvard Business School graduate. He presented me as a mere conspiracy theorist, neatly forgetting my background in military intelligence, and my publications everywhere from Military Intelligence Magazine to The Wall Street Journal. He even omitted the fact that you were one of my Ghost Troop officers for three years — the last two of them while concurrently serving as the U.S. Ambassador to Qatar!

In short, he failed to write anything that was positive, and little that was accurate, about Ghost Troop. He contented himself with innuendo against Major Fox and me, and fawned over the FBI mouthpiece and the Israeli ambassador. He regurgitated the rancid official story about how the 88-year-old von Brunn morphed into an agile Terminator at the Holocaust Museum in Washington, D.C. I leave it to you to read his hit piece against Ghost Troop: [Some suspect conspiracy in Holocaust Museum case.](#)

Holocaust Chutzpah

Speaking of the Holocaust, Ghost Troop has detected an indicator that affirms our suspicions in our five-year-old 9/11-2B mission to detect and expose false flag attack attempts. "9/11-2B," you will recall, designates "the next 9/11" or "the 9/11 to be" that our alphabet soup of establishment entities assures us is not a matter of IF but WHEN. CNN and the CIA, NBC and the NSA, FOX and the FBI..., all of them are variations on a single theme: "*Be terrified of terrorists, and give us power to protect you!*"

The indicator is something that I discovered as a result of my Holocaust Museum research: The dates on which several of the museums were dedicated where advanced notice of so-called "terror" attacks. The most conspicuous example was New York City's Museum of Jewish Heritage. If you look at virtually any information source on the Internet and you will find the assertion that it opened on September 15, 1997. This is carefully crafted misinformation, though. The actual date on which it opened, its dedication date, is September 11, 1997: [Archives of Rudolph W. Giuliani.](#)

You and I both remember the dedication of the Houston Holocaust Museum on March 3, 1996. I wrote an NBC editorial about it: [Holocaust Museum — NBC Editorial.](#)

In those days I didn't question the memory or motives of the Jews, whom I had learned to pity from reading Holocaust novels like Elie Wiesel's *Night*. It never would have occurred to me that the museum dedication date code 3/3 was a code signal for a terror attempt against Texas City, Texas on 3/30 in 2004, in which you and I both played prominent roles. I never would have imagined that 3/3 and 3/30 both decoded to the "supreme" occult number of 33. In those days I was equally ignorant both of the Illuminati and the Kabbalists.

W. Leon Smith, the courageous publisher of *The Lone Star Iconoclast*, understood what was up. He demanded a congressional investigation of Ghost Troop's uncanny ability to predict petrochemical explosions in the Houston area. The editorial ran on 3/3, 2008. The date code was intentional, a gotcha message to the Houston-area holocausters: [Time To Investigate Houston Is Now](#).

I couldn't have imagined people so nefariously evil that they would establish — through the dedication of a death shrine — a coded signal for a premeditated mass murder of Americans citizens, or that they would be so brazen as to carry out a parallel pattern in their attacks:

- Oklahoma City, Oklahoma — 4/19
- New York City, New York — 9/11
- Texas City, Texas — 3/30

The attack codes for New York City (9/11) and Texas City (3/3) have become transparent, but in an incredible display ofchutzpah, they recently used the Oklahoma City 4/19 attack code as the dedication date of Chicago's Holocaust Museum. According to the Jewish community, they chose the date because it is the 66th anniversary of the 1943 Warsaw Ghetto Uprising. Their numerology, combined with fresh developments, is alarming:

- The "66" year anniversary resonates with the 60606 (666) zip code of Sears Tower.
- Yesterday, the government reported a total of 666 U.S. deaths in the Afghan War.
- Yesterday Sears Tower was renamed Willis Tower.
- Today there was a building conflagration and collapse in Chicago.
- Today there was an "Al Qaeda" attack abroad.

Rarely have we seen a more conspicuous cascade of false flag indicators. For two years, Ghost Troop has warned that the Sears Tower is the top 9/11-2B target: [Chicago's Nuclear Obama- False Flag Unfurled](#).

Prayerful Patriotism

Briefly stated, Chaplain Chase, I think that a false flag attack — like those carried out by the Israelis against the King David Hotel and the USS Liberty — is soon to be carried out against one of the three coded cities of Chicago, New York and Houston. As usual, it will be

blamed on the Jews' perennial enemy, the Arabs. The real terrorists, though, will be the Jews, aided and abetted by Gentile traitors. Several months ago Ghost Troop published a false flag time frame of 3/11/09 to 9/9/09. It seems as valid now as when we issued it.

The failure of the FBI to investigate our professional and proven analysis indicates that the pending 9/11-2B attack is an official conspiracy. The propagandizing by CNN and other Jewish-controlled media against U.S. militias like Ghost Troop indicates that they are a part of that conspiracy.

It is my earnest prayer, as a loyal Christian officer on a mission of conscience, that the American People soon discover the conspiracy and its participants. It is my earnest exhortation that those tried and convicted for treason, under [Article 3, Section 3 of the U.S. Constitution](#), be hanged as traitors without exception.

Bad apples in the Jewish community — commonly referred to as Zionists — have utterly betrayed "America-first" citizens, like you and me and the vast majority of our compatriots. I know that for pointing out the facts that Ghost Troop has discovered I will be assailed as anti-Semitic. I'm fortunate that you, with your Jewish roots, have upheld our unique friendship. Most of what I know about your people comes from knowing you.

Gratefully, Eric

Holocaust Museum: NBC Editorial

**By Eric H. May
March 6, 1996**

More than 2000 people attended the opening of Houston's Holocaust Museum last weekend, which commemorates the Nazi atrocities committed against Jews and others during the infamous Third Reich.

The museum has a special meaning for the hundreds of Holocaust survivors living in the Houston area. And it has special meaning for Houston's Jewish community, many members of whom know that home branches of their family trees were reduced to ashes in the death camps.

But the Holocaust Museum has meaning for all people of all creeds, a meaning cried out by six million Holocaust victims: We must never forget the extent of man's inhumanity to man. Channel 2 encourages all Houstonians to visit the Holocaust Museum. While remembering the Holocaust is disturbing -- as well it should be -- the remembrance will help ensure that we will never be indifferent toward hate again. And as death camp survivor and Nobel laureate Elie Wiesel once said: Indifference is the most dangerous thing in the world.

Double Trouble for Holocaust Heretics!

— An article review with links —

Captain Eric H. May

February 9, 2009

Many of my readers may be as ignorant as I was about the extent of man's inhumanity to man. I recently learned that the World War II Holocaust (of 6 million Jews) was equaled by the World War I Holocaust — of 6 million Jews! It was all documented in the New York media of the time, which then as now enjoyed the benefits of Jewish information and management.

An article sent me this weekend gave a fine account of the World War I Holocaust, along with excellent references. It wasn't too wordy or too lengthy; it was well illustrated and well written; and its title was memorable. I believe it will become a classic source for entry-level World War I Holocaust students like me:

*[Burn in Hell you deniers of the Holocausts](#)*¹

If only Hollywood would produce as many Holocaust movies set in World War I as in World War II. Surely that would make the American people twice as sympathetic to Jews as they already are. This is the objective of Holocaust movies, after all. But for some reason the World War I Holocaust is kept as hushed up as the Gaza Genocide. This is indeed shocking when you consider what Jewish columnist Joel Stein recently affirmed in his Dec. 19 *LA Times* essay, "*How Jewish is Hollywood?*"²

"I don't care if Americans think we're running the news media, Hollywood, Wall Street or the government. I just care that we get to keep running them."

Recently there has been an unpleasant controversy in the Catholic Church over the Holocaust revisionism of Bishop Richard Williamson. He not only rejects the official story of the Holocaust(s), but also rejects the official 9/11 story, making him a double denier.

"Know the truth," Jesus said, "and it shall set you free." I think it incumbent on those of us who love the truth to learn more about Bishop Williamson and his opinions, the better to clarify things. Those interested in learning more about him should read the two articles I wrote last week:

"From across the sea six million men and women call to us for help, and eight hundred thousand little children cry for bread. These children, these men and women are our fellow-members of the human family, with the same claim on life as we, the same susceptibility to the winter's cold, the same propensity to death before the fangs of hunger. Within them reside the illimitable possibilities for the advancement of the human race as naturally would reside in six million human beings. We may not be their keepers but we ought to be their helpers. In the face of death, in the throes of starvation there is no place for mental distinctions of creed, no place for physical differentiations of race. In this catastrophe, when six million human beings are being whirled toward the grave by a cruel and relentless fate, only the most idealistic promptings of human nature should sway the heart and move the hand. Six million men and women are dying from lack of the necessities of life; eight hundred thousand children cry for bread. And this fate is upon them through no fault of their own, through no transgression of the laws of God or man; but through the awful tyranny of war and a bigoted lust for Jewish blood..."

Perhaps those who believe in the myth of the 'six million' have forgotten that Jews were making substantially similar claims regarding 'six million' Jews about to perish in the aftermath of World War One...Don Heddeshheimer has written a fascinating account of these claims in *The First Holocaust: Jewish Fundraising Campaigns with Holocaust Claims during and after World War One*. Again and again the pages of the *New York Times* and other journals were filled with allegations that Jews in Poland and other war-torn countries, all 'six million' of them, were threatened with imminent extinction through starvation and disease unless large sums of money were raised and sent overseas. As a matter of fact there was much starvation and disease in Germany and other war-ravaged lands but it did not primarily affect the Jews. Rather, as numerous American military and diplomatic personnel observed, the common people suffered while wealthy Jews lived high on the hog. Then as now, Jews sought to elevate their suffering above that of all

others. Heddeshheimer establishes that despite much hand wringing over real and alleged suffering the bulk of the money for Jewish relief actually went to "constructive undertakings" – meaning such things as establishing cooperative banks in Poland, financing tradesmen and artisans, and, in particular, promoting Jewish agricultural settlements. It should be emphasized that this Jewish fundraising was conducted within the context of three key concurrent historical events: 1) the communist revolution in Russia; 2) the rise of Zionism in Palestine together with the incipient Palestine Mandate; and 3) the effort to secure 'minority rights' (better, Jewish rights to a state within a state) in anti-Semitic Eastern Europe. Thus, Jewish relief served as camouflage for much broader political objectives."

3. *The Truth About the Talmud* by Michael Hoffman. The Jews have been pumping up victimization tales about themselves ever since ancient times, and dwell on vengeance for alleged wrongs with an eternal "never forgive, never forget" code of immorality. One reason is because the Talmud teaches that non-Jews are not human, and that genocide against them is OK. So is exploiting their credulity in every shameless way possible. Hoffman describes examples of ancient Jewish holocaust fantasy whoppers: *"Tall Tales of a Roman Holocaust: Here are two early "Holocaust" tales from the Talmud: Gittin 57b. Claims that four billion Jews were killed by the Romans in the city of Bethar. Gittin 58a claims that 16 million Jewish children were wrapped in scrolls and burned alive by the Romans. (Ancient demography indicates that there were not 16 million Jews in the entire world at that time, much less 16 million Jewish children or four billion Jews)."*

"If not exaggerated, Solzhenitsyn asserts that since 1917, the Bolsheviks, continuing under assassin Stalin, through and even after WW2, systematically executed, and inside (and outside) their thousands of Gulags, worked, starved and froze to death, SIXTY-SIX million people, not all, but most of them CHRISTIANS (whom the Bolsheviks hated). This mass death was THE LARGEST REAL "HOLOCAUST" in modern history - but totally unknown today by most Americans, British and western Europeans and absent from our school books. Of course no publisher in the Western world dares reprint Solzhenitsyn's book [*Two Hundred Years Together*] in English." There is a reason why German National

7. *Other Losses* by James Bacque. According to one reviewer of this book, "James Bacque deals with a topic most historians (especially Eisenhower apologists like Stephen Ambrose) want to avoid. It is the frightening account of how Allied forces, at the end of World War II, systematically used, abused and starved millions of German POWs in what Gen. George Patton described as

'Gestapo tactics.' As an historian, Army veteran, and grandson of a German army officer during that war, it's high time this story was told. So much is written about German atrocities during the war (Malmedy, Trois Pontois, etc). But little is discussed about such issues as this (another being 'Operation Keelhaul'... forced 'repatriation' of Russians who served in the German Army). Bacque's evidence is convincing, thorough, and hard to avoid. Too bad so-called 'historians' like Ambrose can't see this for himself. Must reading for any serious student of World War II history."

Holy Ghost Troop vs. the Synagogue of Satan

"I know the blasphemy of them which say they are Jews, and are not, but are the Synagogue of Satan." (Revelation 2:9)

I dedicate this analysis to Christina Green, who was born on 9/11/01 and killed at the age of 9 years, 119 days. *Requiescas in pace Domini, puella casta caaraque.*

+ + + An Email from Code-Name Bach + + +

Captain May, an excellent article! The only thing that you left out was that the 9/11/2001 attacks were 11 years after Pres. GHW Bush's New World Order speech of 9/11/1990. The first paragraph of your Occult IKE article of Sept. 2008 mentions that speech:

"There has always been a bizarre synchronicity in the 9/11 affair. You may think that I mean to comment on the coincidence that our national emergency condition was begun with an attack some seven years ago on 9/11 — the very national date code that already said "Emergency!" to the American people. But I was thinking more about the coincidence that 9/11/01 followed the strange announcement of 9/11/90 by the first President Bush that the first Middle Eastern War

would create a 'New World Order.' The attack of 9/11/01 came 11 years later to the day."

+ A Cryptanalysis of 9/11 and Various Variants +
You are right, JS. The occult numerology surrounding 9/11 is unmistakable and mind-bending; and warrants an article.

Holocaust Chutzpah

The date code of the NWO speech on 9/11/1990 is 911199, and it was delivered at 9:09 PM (99 = 9 x 11). The same numerology was used in the dedication of the New York Holocaust Museum seven years later, on 9/11/97. It was also used in the 9/9/01 opening of the Berlin Holocaust Museum.

Holocaust Museums, though built to elicit sympathy, are really Satanic altars in the genocidal NWO plan against humanity. Holocaust chutzpah is infinite, as is shown by the Synagogue of Satan (SS) opening the Transylvania Holocaust Museum on 9/11/05, the 13th day after the geo-weapon Katrina mass-murdered New Orleans, a vampiric signal to be sure. It was also supposed to be a celebration of the July 28, 2005 nuking of the BP refinery in Texas City, but Ghost Troop broke it up by ordering a coup d'état. Between 7/28 and 9/11 there was a span of 44 days.

Old Nick's Nikki

A similarly sinister numbers game occurred last year on 6/22, the day of the South Carolina primary runoff elections. 6/22 is a variant of 9/11. Rotate the 6 get 9,

and divide the 22 to get 11. 6/22 is also a variant of 322, the Skull and Bones number. Take half of the 6 to get the 3.2

In what national commentators called the most important race in the country, Nikki Haley won the Republican gubernatorial runoff. With 99% of votes counted, her vote count was 233,230. Her final vote count was 233,332. These code-numbers were strong signals that the SS was in control.

I'm Included

I first became aware of the sinister number 322 after the *Houston Chronicle* asked me to write a terror target analysis of the city. The result was Don't laugh at duct tape; it saves lives, and the *Chronicle* published it on 2/23/2003 (22323). My analysis was a good reading of what the Bush administration had planned for my hometown, and in typical SS mockery they telegraphed their insidious intention to the intended victims. The invasion of Iraq would begin less than a month later on another 322 variant, 3/20/2003 (3223).

Christina Killers

"And whosoever shall offend one of these little ones that believe in me, it is better for him that a millstone were hanged about his neck, and he were cast into the sea." (Mark 9:42)

Nikki was a carefully chosen Satanist starlet, and went on to become the 116th governor of South Carolina. Reverse the 116 to get 611, then rotate the 6 to get 911. She assumed office on 1/12/2011 (11/22/11), the same day Barack Obama boosted his approval ratings by his diabolical eulogy over Christina Green.

Killing Christina was Christ killing, just as installing Nikki was installing Old Nick. Take the N away from Nikki to get IKKI, letters that decode to 911119. Christina, born 9/11/01, was sacrificed at the age of 9 years, 119 days (9119).

Alarming is a Passover story (more mocking of Christ) marking Nikki's 100th day in office, an occult allusion to the 99-day span between 1/12/2011 (112211) and 4/22/2011 (422211). Alarming as well is an SS geo-war attack on a Missouri church on Holy Saturday, as the concentration watched *The Passion of the Christ*.

Various Variants

On 2/22/2011 (222211), Chicago elected a Mossad mayor, Rahm Emanuel. On the same day the SS launched a geo-war attack against Christchurch, New Zealand.

On 3/22/2009 (32229) the SS sacrificed 7 children and 7 adults (77) by plunging their airplane into the Holy Cross Cemetery. On 9/22/2003 (92223) Margie Schoedinger, who was suing Bush for rape, was suicided in Houston.

On 6/22/2009 (62229) Retired Maj. Gen. David F. Wherley Jr., who was commanding general of the District of Columbia National Guard on 9/11, suffered a bizarre death in a DC Metro crash.

On 6/22/2006 (62226) the FBI arrested a handful of young black men, the so-called Liberty City Seven, who

had been coached to be patsies in an attempted May 3 dirty bomb attack on Sears Tower, another case in which Ghost Troop led a revolt by police and military officers to pre-empt a false flag.

Capital Conclusion

I could go on with SS code-busting, JS, but this brief expression of 9/11 and its variants is plenty for one article. Since you have clearly done your homework on the Holy Horde, I'm confident that you'll follow up on our references in this article. If there is to be a military or civilian overthrow of the New World Order, in which the Synagogue of Satan has enshrined itself, the Ghost Troop record will be all-important. It has more than enough evidence to warrant the arrest of thousands for the capital crime of treason under Article 3, Section 3 of the United States Constitution. At this point, nothing less will begin the hard work that must be done.

For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." (Ephesians 6:12)
